@FINCHANDTHIMBLE

WELCOME TO FINCH & THIMBLE!

Thank you for your enquiry — we'd be honoured
to be part of your event.

At Finch & Thimble, we create reusable faux and bespoke dried florals
designed well in advance, so there's no stress around seasonality, supply or
wilting on the day.

We primarily cover Bristol (BS postcodes) and the surrounding Somerset
area, and are happy to travel further afield subject to availability
(additional travel fees may apply).

Your Vision

Whether you have a fully formed concept or need creative direction, we'll
design florals that feel cohesive, abundant and true to your setting.
Lead Time

A minimum of 6 weeks' notice allows us to thoughtfully source, design and
prepare your pieces to perfection.

Investment

A 20% deposit secures your date (subject to order size), with the remaining
balance due two weeks before your event.

Sustainability

Our florals are created to last. After your celebration, they can be kept,
restyled or gifted — beautiful keepsakes with no waste.

We'd love to hear more about your plans and bring your floral vision to life.
